## About This Game

Do you like beavers? Do you enjoy hijacking timber from a sawmill owned by an evil lumberjack? Do you love accidentally pushing your friends into fiery pits?

Have we got a game for you – Beavers Be Dammed!

*Beavers Be Dammed is being actively developed by a team of six students. We need your feedback to make Beavers Be Dammed the great game we want it to be for the players. Get in touch with us via the community hub, social media or e-mail to tell us what you think and we \*will\* get back to you!*

In Beavers Be Dammed your objective is to steal wood from sawmills before the time runs out. To bea-very specific, you and a beaver buddy gnaw your way into the mill, locate the timber and maneuver those heavy logs towards the drop-off point. BEAWARE! You will be dodging sharp saw blades, avoid being cooked by feisty flamethrowers and more hazards in this crazy humorous party game experience.

---

**Please note: there is no "single player" version of this game, Beavers Be Dammed is specifically designed to be enjoyed by two players locally.**

**Real couch co-op**

Beavers Be Dammed offers a unique local multiplayer co-op experience because of the way you have to interact with the other player. Teamwork is crucial especially while dodging dangerous hazards under time pressure.

**Easy controls, hard to master**

With full controller support, the controls in Beaver Be Dammed are easy to pick up but hard to master as you progress.
